### What is included in the session fee?

The session fee includes the time and costs associated with providing the agreed music therapy service, including:

- scheduled telephone calls and appropriate updates
- routine administration associated with the therapy
- routine correspondence relating to the therapy
- travel where appropriate
- preparation and planning necessary for the music therapy sessions.

Additional work outside the agreed service may be discussed and agreed in advance where appropriate.

### Meetings

Attendance at meetings is charged at **£50–£60**, depending on the length of the meeting and the distance travelled from home.

Where possible, the fee will be agreed in advance so that the person or organisation commissioning the work knows the expected cost.

### Payment arrangements

Payment schedules can be discussed and agreed according to the circumstances of the child or young person and the funding arrangement.

Payment may be arranged **weekly, monthly, termly or by another agreed schedule**, depending on whether therapy is funded privately or through an organisation, school, local authority or other funding body.

The agreed payment arrangements will be confirmed before or at the start of therapy and may be reviewed if circumstances change.

## Changes to fees

I review my fees from time to time to reflect the costs of providing a professional music therapy service.

**I reserve the right to change my fees by giving at least three months' written notice before any new fees take effect.** Where therapy is funded or commissioned by an organisation, any change will be discussed with the relevant commissioning or funding body as appropriate.

Any new fee will apply only from the date stated in the written notice and will not be applied retrospectively to services already provided.

Where a significant change in fees would affect an ongoing arrangement, I will aim to discuss this with the family, commissioner or funding organisation in advance wherever possible.

## Current fees

**These fees are effective from September 2026 and will remain in place until further written notice.**
